ACADEMIC PROJECTS:

1) Title: “Fixture for Machining Uniform Chamfer 0.1 max*45degree On First Groove Edge On IC Engine Piston ”

Course : M.Tech

Team size : 1

Under the guidance of : Mr. Praveen KC

Description : .This project is based to design and develop fixture for machining Uniform Chamfer 0.1 max*45 degree on first groove edge on IC engine piston,this will reduce the total re-setting time,and inconsistency of chamfer. It will increase the quality of the product and this design is very simple.

2) Title : “Fixture for Multi Drilling Operation For IC Engine Piston ”

Course : BE

Team size : 4

Under the guidance of : Mr. Jullya Naik

Description: This project is based on designing and developing a fixture for multiple drilling operations, to drill all the three holes on the piston using single machine.

Workshops and FDP's:
