19. Best Practices

1. 3D and VR teaching

VIRTUAL REALITY

It's creation of Near – Reality Environment by Computer Technology. A computer generated Immersive, highly interactive; 3D computer generated multimedia environment in which user is a participant.

VR has recently been applied in several different areas, such as industrial simulations and cultural heritage documentation. It has also been widely applied in the field of medicine, automotive, and aerospace industries, as well as education and entertainment.

A new innovative teaching - learning method will be implemented for the students of Maratha Mandal Engineering college to have the feel of immersive environment. This will boost confidence of students in better understanding the concept and enjoy new learning experiences.

2. Industrial Visits

Industrial Visit to Mars Engineering Industries: MMEC has organized many Industrial Visits for our students in and around Belagavi.

This industrial visit gives our students to an opportunity to enhancement of their practical knowledge and exposure to industry.

3. Innovation and Frugal Engineering

The institute promotes innovation through various programs and multiple platforms are provided to the students to carry out their projects. The college has a fully functional Institutes Innovation Council (IIC), an IPR cell, an Entrepreneurship Development Cell and MOU with institutes like GTTC to use their infra-structure, all these are made available to the students to carry out their research and development.

4. Product centric learning

The institute tries to inculcate the habit among the students to convert their ideas into products, by providing them with necessary mentorship, training in required domains like Coding, Hardware & Embedded system, PCB designing, 3D modelling, sheet metal design, design analysis etc. The students have worked on multiple ideas and were able to develop some products which has potential customers in the market.
5. Career guidance and awareness about Engineering program

Career Guidance is a counseling program designed to **help students choose the right career path based on their educational and professional choices**. It is a qualitative and quantitative assessment of the knowledge, skills, information, and experience to identify career options available. Career counseling helps them to analyze their strengths and weaknesses and helps in finding the perfect career path.

6. In-house Placement Training

Training and Placement Cell in the Maratha Mandal Engineering College plays a vital role and is becoming a key department of the institute. As there are large numbers of Engineering and Management colleges coming up in India, the competition for employment is increasing every day and the job of placement is becoming a challenging one. A full pledged placement cell is functioning in our college with a full time placement officer.

7. Hostel students engagement

Maratha Mandal Engineering Belagavi has provided safe and congenial atmosphere to the college students. Our Hostel is within the college campus just opposite to engineering college. The living spaces are structured to inspire harmony. The facilities are very ideal for pursuing academic goal. It creates a homely atmosphere to the student, to relax and socialize and it is like home away from home.

8. National Anthem

To show gratitude and patriotism towards our nation the institute plays the National Anthem every working day at 10:15 a.m. on the central speaker system which is heard in the entire campus, in response everybody stands still where ever they are in respect and repeats the National Anthem. This gesture, not only inculcate sense of patriotism among the students but also help them develop sincerity and a culture.

9. Environment Consciousness

- ❖ Paper wastage is disposed and the dry dead leaves are buried in the soil to protect the campus from getting polluted.
- ❖ The institute maintains and monitors a green campus which is clean and eco-friendly.
- ❖ Students enthusiastically take part in Tree Plantation Programs which are regularly organized.
- ❖ E-waste and Hazardous waste management is practiced.
- ❖ One sided sheets are used for reducing wastage.

10. In addition

- ❖ Clean, Green and Eco-friendly campus.
- ❖ Water conservation – Rain Harvesting.
- ❖ Waste Management.
- ❖ Concession in the Tuition Fees for the children of employees of Maratha Mandal Institutions and also studied in sister concern institutions of Maratha Mandal.
- ❖ International Women's Day is being celebrated promoting empowerment.
- ❖ Bonus is permitted for all the technical and non-teaching staff in the occasions.
- ❖ ESI coverage for all eligible employees.
- ❖ Free transport facility for all the staff members.
